Congratulations to the Winners!

The winners of the 2009 Miss Judge's Choice Photo Contest marks the end of this 8 year running contest. We have had a lot of fun with this contest as we have been able to recognize some of the best progeny from the sires of the program and from many parts of the world. St. Jacobs ABC along with the Judges are investigating other promotional ideas and will announce them through time and through this newsletter as we identify them. Congratulations to all of the winners and entrants through the years. We appreciate your interest and encourage you to continue to send us photos of JC progeny for display in this newsletter and other media. JC
