"Redbull will quickly become a household name. Tribute on the top side will give you Width and Strength from nose to tail. Certainly the bottom side of this pedigree needs no introduction. Apple defines the words Style, Balance and Dairyess. Exceptional mammary systems and the will to milk will come from both top and bottom side of Redbull's pedigree. Imagine owning a pen full of Redbull daughters when Apple comes back as a 4 year old. You will probably be looking very smart!"

- Chris Hill, Mount Airy, Maryland

«Le nom de Redbull deviendra rapidement un nom respecté. Grâce à Tribute, son côté paternel apportera de la largeur et de la force. Le côté maternel de sa généalogie ne requière aucune introduction. Apple représente la définition même de Style, Équilibre et Caractère Laitier. Toute la généalogie de Redbull apportera des systèmes mammaires exceptionnels et un grand désir de produire. Imaginez avoir un enclos plein de filles de Redbull lorsque Apple sera de retour à 4 ans ! Vous ferez probablement beaucoup de jaloux !»
