"Lavor \*RC is very unique bull. He combines several of the most prolific cow families in the breed today. His 89 point 2 yr old, All-American nominated dam (Lavish) is certainly a young cow that would be described as a dairyman's dream with her fantastic udder, super feet and legs and her extreme quality. His sire, (Advent-Red) needs no introduction: Type, Production, Cow Family, all in one package. Fancy Red calves would just put the icing on the cake. All of the bases are covered with this young fella!"

«Lavor \*RC est un taureau unique. Il combine plusieurs des familles de vaches les plus prolifiques aujourd'hui. Sa mère, une 2 ans à 89 points avec une Nomination All American (Lavish) est une vache de rêve! Un pis fantastique et de superbes pieds et membres avec beaucoup de qualité. Son père (Advent) n'a pas besoin d'introduction: Conformation, Production, Famille de Vaches, tout y est! Des beaux veaux rouges seront la cerise sur la sundae. Toutes vos demandes sont remplies grâce à ce jeune taureau.»
