*"I think Liqueur is another very exciting bull to come into the program. His maternal line is the epitome of dairy strength and beautiful quality mammary systems. It starts with his granddam Licorice and her beautiful Allen daughter Leona. Both would be a perfect mating for Shottle with his substance and strength through the front end. Liqueur gives you a chance to get a show winner and a bull mother all in one package."*

*« Liqueur est un autre jeune taureau excitant sur le programme. Sa lignée maternelle est ce qu'il y a de mieux pour la force laitière et des systèmes mammaires de qualité. Nous n'avons qu'à souligner sa grand-mère Licorice et sa superbe fille par Allen, Leona. Ces deux belles vaches seraient un croisement parfait pour Shottle avec sa force dans son devant. Liqueur vous donne la chance d'élever une gagnante aux expositions et une mère à taureau, en même temps! »*
