"Goldwyn on Deputante Rae should be a great cross. The Roxy's have always developed into large, strong deep-ribbed cows which will compliment Goldwyn. Goldwyn will add style and retain the length of body. He will also add quality and texture to the mammary systems. This should be the golden cross."

- Ken Empey, Dorchester, ON

"Goldwyn sur Deputante Rae devrait être un excellent croisement. Les Roxy se sont toujours développées pour devenir des vaches larges et fortes avec des côtes profondes qui seront un bon complément pour Goldwyn. Goldwyn apportera du style et maintiendra la longueur du corps. Il ajoutera également de la qualité et une bonne texture au système mammaire. Ce devrait être un croisement en or !"
